During a telephone call with the Examiner on April 1, 2004, the Examiner indicated that she had searched inventor and assignee information in the Patent and Trademark Office data base and had reviewed related applications. The Examiner indicated that she could not obtain copies of claims from two applications, i.e., Application Nos. 10/451,786 and 10/471,283, and requested that copies of the claims be forwarded to her by facsimile. Applicants are therefore forwarding a copy of this disclosure statement and copies of the claims for the two U.S. applications on April 2, 2004 by facsimile. Moreover, Applicants are submitting on even date with the sending of the facsimile a complete copy of this disclosure statement in the mailroom at the Patent and Trademark Office.

Copies of the above-noted documents are enclosed together with a duly completed Form PTO-1449. Copies of the previously submitted international publications are not being resubmitted nor are they listed on the form. Moreover, the U.S. applications are not listed on the form, because they are not publications. The Examiner is accordingly requested to consider each of these documents, and to make them of record in this application by initialing in the appropriate spaces on

the Form PTO-1449. Applicants respectfully request that the Examiner include a copy of the initialed Form PTO-1449 with the next communication from the U.S. Patent and Trademark Office.

Applicants note that this Information Disclosure Statement is being filed prior to first action on the merits and a fee should therefore not be necessary for its consideration. However, if an action on the merits has been mailed prior to the filing of this disclosure statement, Applicants hereby authorize the charging of any fees necessary to ensure consideration of the documents cited herein to Deposit Account No. 19-0089.

Should there be any questions, the Examiner is invited to contact the undersigned at the below listed telephone number.

Respectfully submitted,
Shigeo TAKADA et al.
